In a picturesque setting on over 3.25 acres of landscaped lawns, gardens, fruit and flowering trees and a tree lined driveway sits an exquisite all brick custom country colonial residence with 6 Bedrooms, 7 full Bathrooms and 2 Powder Rooms. An elegant interior including coffered ceilings, hardwood floors, 9 foot ceilings, decorative moldings, ornamental windows, Honeywell Wireless Smart System and 5 fireplaces with hand carved mantles. The home is close to major highways, shopping and highly acclaimed schools.

Impressive main entrance opens to gracious Foyer with mahogany front door with beveled glass surround. The Library to left with custom millwork, built-in shelving fireplace and French Doors to the Patio. The formal Living Room with fireplace and French terrace doors lead to the Patio. Gorgeous eat-in Kitchen to right featuring rear staircase, Breakfast Room with 4 skylights, vaulted ceiling and walls of windows, center island, granite countertops, custom cherry cabinetry and stainless-steel gas appliances including hooded Viking range. Kitchen opens to the Dining Room with fireplace and French terrace doors. Spacious Family Room with brick floor to ceiling expansive gas fireplace.
